

Sounds of Spain at Bozar

21st October '23

19:30

Following two sold-out BOZAR successes, the Brussels Chamber Ensemble is thrilled to return to BOZAR with its programme entitled: *"Sounds of Spain, Sounds of Europe"*.

To honour the Spanish Presidency of the EU, the first part of the programme will be devoted exclusively to Spanish music. Evocative and virtuosic music by the Spanish greats Albéniz, Granados & De Sarasate will be heard alongside a world premiere by young talent Fuentes Flores, performed by this vibrant ensemble of young professionals and semi-professionals from across Europe.

Conductor Clio Zois says, "From Asturias to Andalucia, this spirited programme conjures the images, landscapes and colours of Spain".
