

CWC Consulting is organising two new training courses at preferential rates for members of the **Official Spanish Chamber of Commerce in Belgium and Luxembourg**.

Further information:

- 17 de Mayo- How Erasmus+ Cooperation Partnerships can fund your project.

The workshop will enable professionals to better comprehend the Erasmus+ programme and its funding opportunities. Specially, the training will focus on its KA2 "cooperation Partnership" projects and review from a practical perspective the whole project application cycle: from getting an IOD number till all tips, tricks and best practices to successfully draft and submit a project proposal.

Special price for Chamber members **150€ (VAT excluded)**.

- 15 de Junio- Starting-up with Erasmus+: Small Cooperation Partnerships.

The workshop will enable professionals to better comprehend the Erasmus+ programme and its funding opportunities. Specially, the training will focus on its KA2 "small cooperation Partnership" designed to grant access to newcomers to the Erasmus+ funds. The training will review the main elements of the project application including the definition of activities and the budget as well as all tips, tricks and best practices to successfully draft and submit a project proposal.
