¿Who is EmprendeBelux targeting?

EmprendeBelux aims at supporting Spanish residents in Belgium and Luxembourg on the long road to entrepreneurship and business consolidation. We are aware of the many challenges that entrepreneurs and freelancers face and that is why the Spanish Chamber has designed a special programme oriented to facilitate the success of your project.

Whether you have a business idea or you have already launched your company in Belgium or Luxembourg, we invite you to join the EmprendeBelux community. We have put in place a set of services adapted to the necessities of Spanish entrepreneurs in these countries.

The programme has also the objective to support Spanish freelancers registered in Belgium and / or Luxembourg.

In EmprendeBelux we want to get to know your project, help to boost your business and connect you with other entrepreneurs in Belgium and / or Luxembourg.

¿What are the advantages of joining the EmprendeBelux community?

Counselling¹

We are aware of the questions that arise when launching a company and that is the reason why from EmprendeBelux we are willing to help you with your main questions. In EmprendeBelux we offer you the possibility to present us your project and your major concerns related to legal and fiscal aspects, we will provide the necessary information to answer them through our network of experts.

The Spanish Chamber holds more than 80 years of experience in supporting Spanish companies in Belgium and Luxembourg and managing different projects related to entrepreneurship. In addition, there are more than 30 associated companies to the Spanish Chamber that provide comprehensive advisory services to companies.

Activities

The training offered to companies offers the possibility to entrepreneurs to boost their personal and professional development. In EmprendeBelux we believe in the continuous training, and for that purpose we have planned a series of workshops oriented to broaden and consolidate your knowledge in relevant areas of interest

1. This service will be managed by the personnel of EmprendeBelux. Depending on the nature of the request, it will be answered by the managers of the programme or by external experts. All information will be dealt confidentially.

for the Spanish entrepreneurs in Belgium and Luxembourg.

Visibility and network of contacts

EmprendeBelux organises periodic events oriented to broaden your network and where other participants of EmprendeBelux, as well as associated companies and other relevant private and public institutions are invited. These events are an excellent opportunity to present your project or business and exchange experiences and best practices with other companies with larger experience in the country.

The members of **EmprendeBelux** will have the possibility to meet quarterly in order to expose to the Spanish Chamber their priority lines of action regarding the programme.

Also, participating in this programme will allow you to give more visibility to your project or company among the more than 200 members of the Chamber, and also through our bimonthly newsletter which gathers more than 3.000 subscribers. The Spanish Chamber also has more than 3.500 followers in the different social media associated to the organisation and where different relevant information related with the activity of the companies of **EmprendeBelux** is shared.

Newsletter

To be updated with the latest new of **EmprendeBelux**, you will be able to receive the bimonthly newsletter of the Chamber where it includes a section dedicated to EmprendeBelux, with the activities planned for the programme as well as a calendar of external events oriented to entrepreneurs.

Other services

By taking part of **EmprendeBlux**, you will benefit from the preferential prices in the domiciliation of your business, as well as with the rental of meeting room and offices located at the premises of the Chamber.

If your are looking for qualified staff to hire in your company, we put at your disposal our employment portal of the Chamber (www.empleo-belux.com).

The participants of **EmprendeBelux** will be able to publish job vacancies as well as access to the data base of candidates registered in the platform.

¿How to participate in **EmprendeBelux**?

We have designed three different categories for members to adapt the services provided to the profile of your project:
