

Understanding all programs and opportunities available under the Erasmus + program

This workshop will enable education institutions **to better comprehend the Erasmus+ program** and the different and specific **funding opportunities** across its different actions. Specifically, the workshop will dwell into the different types of projects offered by the program and the most important innovations and sources of funding newly added to the program. Practical steps to get started and understand the electronic platform of the program will be reviewed.

Mentor: Paloma Cantero –EU project developer.

CWC is a Brussels-based consultancy specialized in European funding.
